

Carmel Terrace Assisted Living Celebrates 30 Years of Caring: A Legacy of Compassion and Community

Framingham, MA – January 28, 2025 – Carmel Terrace Assisted Living, a non-profit Catholic community dedicated to providing compassionate care and a welcoming home for seniors, is proud to announce the celebration of its 30th anniversary. For three decades, Carmel Terrace has been a trusted provider of exceptional assisted living services on the beautiful Framingham campus, upholding the values of dignity, respect, and service to others in the heart of our community.

Opened in 1995, Carmel Terrace has continually focused on enhancing the quality of life for its residents while fostering a supportive, spiritual, and inclusive environment. As a Catholic organization sponsored by the Carmelite Sisters for the Aged and Infirm, the home's mission is rooted in the belief that every individual is made in the image and likeness of God, and as such, deserves to live their later years with care, comfort, and joy.

“We are deeply grateful for the opportunity to serve our residents and their families over the past 30 years,” said Wayne Schuberth, Executive Director of Carmel Terrace. “This milestone represents more than just the passage of time; it’s a testament to the relationships built, the care provided, and the support offered to those who call Carmel Terrace home. We are proud of our legacy and excited for the future.”

As part of the Carmelite System, Carmel Terrace has always prioritized the well-being of its residents, ensuring that they receive personalized care in a homelike setting. The home offers a range of services and amenities, including assisted and independent living, restaurant style dining, enriching activities, daily Mass, and spiritual enrichment, with a team of dedicated professionals who are committed to meeting the physical, emotional, and spiritual needs of each individual.

Carmel Terrace is on the same campus as St. Patrick’s Manor skilled nursing center, which has cared for residents since 1953, first in Boston and in Framingham since 1970, providing a continuum of care for residents of both homes. The campus reinforces the Carmelite Sisters’ mission to create a vibrant, close-knit atmosphere where everyone is treated with respect, kindness, and love.

To mark this special achievement, Carmel Terrace will host 30th-anniversary celebrations throughout the year, to be announced. The events will highlight the milestones of the past three decades, as well as honor the staff, volunteers, residents, and supporters who have contributed to the home's success.

As Carmel Terrace looks to the future, the community remains dedicated to continuing its mission of care, compassion, and service. With a strong foundation built on faith and love, Carmel Terrace is committed to providing seniors with the highest quality of life for years to come.
